Past Performance

Defense Health Agency (DHA) Facilities Enterprise - 8(a) - 2020 - Present

SandHurst-AEC provides program management assistance and acquisition support services at the Defense Health Agency (DHA) Facilities Enterprise to sustain facility, business, and operational planning. Our work enables Facilities personnel to plan, design, build, and operate/maintain DHA's world-class facilities in the United States and abroad, ensuring that our servicemen, women, and their families receive care in first-rate, modern facilities. We support all Facilities Enterprise programs to implement the National Defense Authorization Act (NDAA) infrastructure initiatives.
